

STREETVET+

Accessible, free vet care for the homeless

streetvet.co.uk

StreetVetUK@gmail.com

Victims of the UK **homelessness epidemic** often have scant support, except their **pets' companionship**. The bond between many homeless people and their pets is profound: their pets' wellbeing is a **life-shaping priority**.

Now our **vets** are out **on the streets** of London providing veterinary care at least **three nights a week**. To keep doing this, **we need your help**. Please donate below:
