

## LEAVING A LEGACY

Leaving a gift in your Will to StreetVet is a gift from the heart. Your gift will change lives and help StreetVet continue to provide free veterinary care and services to the animals of the homeless.

### HOW TO LEAVE A GIFT IN YOUR WILL

There are a number of different ways you can remember StreetVet in your Will, depending on your circumstances. It doesn't have to be a large amount, because every penny makes a real difference.

Even if you feel your estate is a simple one, it is advisable to seek professional legal advice when making your Will. They can advise on wording to ensure that your wishes are carried out exactly as you want them to be.

- **LEAVE A SHARE OF YOUR ASSETS**

Many people leave us a percentage of what is left of their assets - known as their 'estate' after they ensure that their family and loved ones have been taken care of.

This type of gift is known as a residuary gift and is easy to add to an existing Will without interfering with any specific sums you have left to family or friends. It also has the advantage that it will not be eroded in value by inflation over the year.
